

BONNEVILLE SOLO SEAT AND FENDER ELIMINATOR

The Bonneville solo seat and eliminator are one off custom panels. They have been designed from the original Triumph Thunderbird solo seat and eliminator kits that I sell.

Bonneville solo seat unpainted £275

Painting in one colour £60

Seat catch and cable conversion £30

Fender Eliminator with rear light bracket £135

Optional micro LED rear indicators and special flasher £50

UK Shipping £10

EU Shipping £34

US & OZ Shipping £54

Solo Seat and eliminator fitted to an early 2001 Bonneville.

Picture showing eliminator fixing and seat catch.

More detailed picture of seat catch.

The Solo seat unit can be fitted with the eliminator kit or can be fitted on its own with the original rear mudguard. A seat catch is need in both cases, easy to fit, you just need to drill a couple of holes. Fitting instructions are included.
